

LAPUA EUROPEAN CUP 25m

30.07. - 01.08.2021
Suhl/Germany

Regulations for COVID-19

The Entry restrictions into Germany are subject to statutory provisions. Please inform yourself about the current regulations before entering the country:

<https://www.auswaertiges-amt.de/en/coronavirus/2317268>

To maintain the safety and protection of all participants, we require all participants to follow these regulations for COVID-19. All members of the delegation must follow the following regulations.

The event is based on the regulations (in the version which is current at the time of the event) of the federal government, the State of Thuringia, the city of Suhl and the Shooting Center Suhl (SSZ) GmbH, which contain measures to control the spread of coronavirus.

Responsible persons / organizers:

Thuringian Shooting Federation (TSB): Marco Krannich, Vice President

Shooting Center Suhl: Frank Günther, Manager Section "Sport"

Mandatory:

- Admission to the competition for all participants (athletes, coaches/supervisors, judges, employees, officials) is only possible if a negative PCR test, not older than 72 hours (time of the test until the start of the journey) or a rapid antigen test (not older than 24 hours) is submitted at the time of registration at the event.
- Mouth and nose protection are mandatory in closed rooms and facilities (also on

shooting ranges except when occupying the firing point). If the minimum distance cannot be maintained, the protection is also mandatory.

- The minimum distance of 1,50m between persons is to be observed on the entire facility!
- Physical distancing guidelines must always be followed (both open and closed spaces).
- Only athletes who are scheduled to be on the line, according to the program, as well as their coach (only those with coach accreditation) are allowed in the shooting range during qualification rounds or training, along with the judges and technical staff of the organizers.

Upon display of any symptoms, participants are obliged to seek medical attention and then self-quarantine until obtaining a negative PCR.

Access to the shooting range will be available only to those with accreditation or service technicians who may need to be at the venue from time to time.

Hygiene:

The generally applicable hygiene rules must be observed. Disinfectant dispensers are installed at all main entrances and in the toilets for regular hand disinfection.

Classification of the Ranges into Zones:

- All zones are marked with capital letters.
- No congregations of people are allowed in the entrance and exit areas of the ranges
- 25m pistol shooting range:
 - o Zone A: Shooting area (without mask only on the firing point), judge (mask required)
 - o Zone B: Coaching Zone (coach, with mask)
 - o Zone C: walkway (mask must be worn)
- All doors are entrances and exits.

Allocation of firing points:

Firing points are assigned for all training and competition and posted on noticeboards outside the hall. Participants are not permitted to congregate in front of the noticeboards waiting for results to be posted!

Cleaning of the firing points:

The staff clean the firing points. After use, staff will disinfect the surfaces of firing points.

Confirmation of results by athletes:

If the shooter agrees with the result, there is no need to sign the printout.
Protests/objections must be reported to the judges.

Result service:

The results are displayed inside the hall on the scoreboards and posted outside the hall.
Protests/objections must be communicated to the office within 30 minutes of the notice being issued.

Please note, no crowding in front of the scoreboards!

Armory:

The armory can be used. Please note, avoid crowding in front of and within the armory!

The regulations are dependent on the actual Covid situation at the time – therefore they could differ at the time of the event - please check the actual situation then on our Website www.tsbev.de.
